GPA: 3.4 / 4.0

Work Experience

Software Developer

Northwest Missouri State University

August 2019 - May 2020

Developing web applications using Vue.js, ASP.NET, C#, AngularJS, and more.
These applications are used by Northwest students, staff, and faculty on a regular basis.

Software Developer Intern

Northwest Missouri State University

May 2019 - August 2019

Updated and maintained Web Time Clock and Workshop Manager, web applications that are used by the staff and faculty to track attendance and manage campus events. (ASP.NET, C#, HTML, Javascript).

"Tommy is a great intern under pressure and even spurs on his co-workers to obtain and set new goals. He always exhibits a positive attitude especially when struggling with the new coding knowledge. Tommy is a self-motivated and determined member of his team. He is an active listener and is good at time management."

- Gary Zhao, Computer Software/Programming Specialist
